Drawing Design

Designed an impactful poster highlighting the dangers of smoking. The poster combines visually striking elements and concise messaging to raise awareness about the health risks associated with smoking. The design aims to encourage healthier lifestyle choices and promote public health.

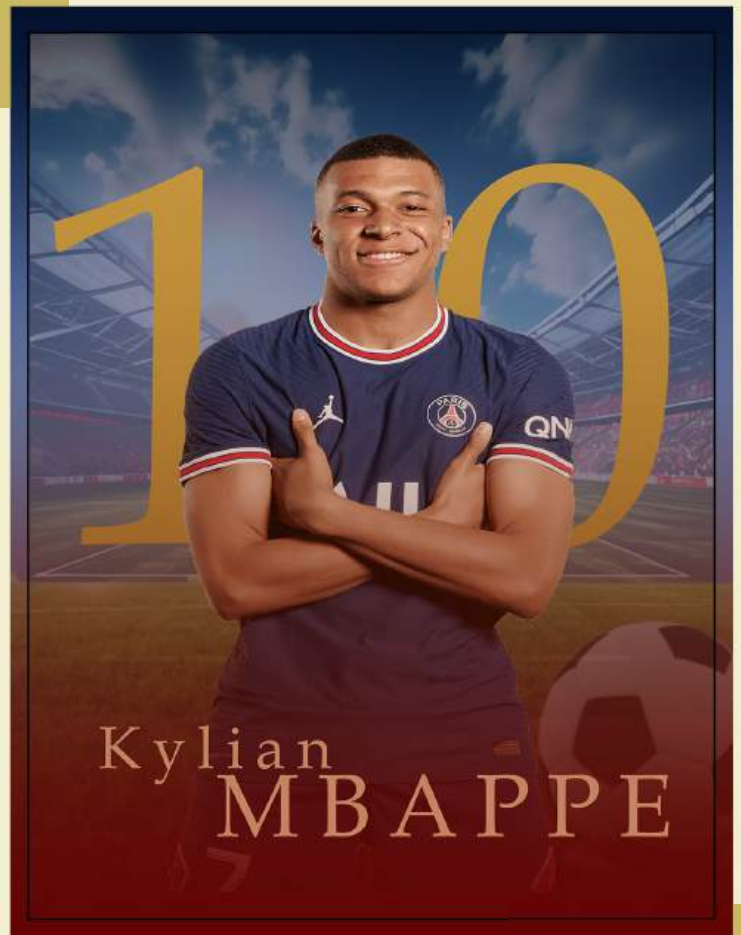

Ice Cream Flyer

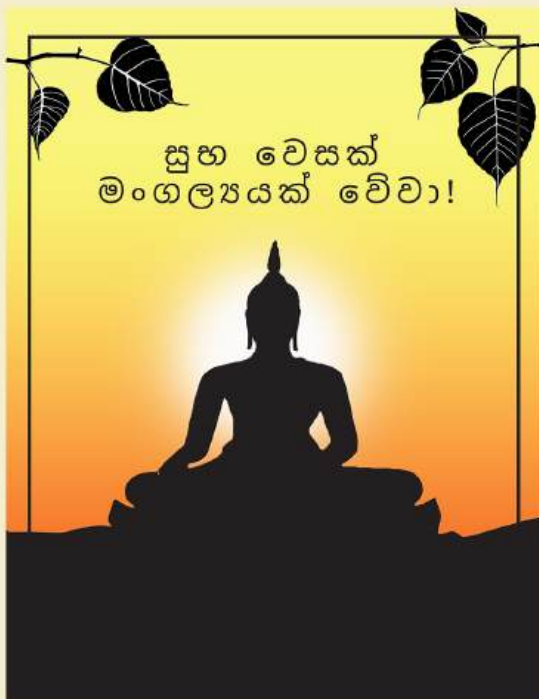

Crafted a delightful ice cream flyer designed to captivate and entice. The flyer features vibrant colors, playful typography, and mouth-watering imagery of various ice cream flavors. It effectively communicates a fun and inviting message, perfect for promoting sweet indulgences.

Football Flyer

Designed a dynamic football-themed poster featuring Kylian Mbappé. The poster captures the energy and passion of the game, showcasing Mbappé's iconic presence on the field. Through bold visuals and a vibrant layout, the design celebrates the spirit of football and its global appeal.

Festival Flyer

Designed a culturally rich flyer for the Vesak Festival, celebrating its traditions and significance. The flyer incorporates elegant visuals of lanterns, lotus flowers, and serene color tones to reflect the essence of peace and spirituality. It serves as an inviting and informative piece to honor this sacred festival.

CV design

Developed a professional and visually appealing CV tailored to highlight my skills, education, and experiences. The design focuses on a clean layout with organized sections for easy readability, complemented by subtle design elements to ensure a modern and professional presentation.

T-shirt design

Created a unique T-shirt design for our IT department, blending creativity with team spirit. The design features tech-inspired elements and modern typography, representing the innovation and dynamism of the IT field. It embodies departmental pride while maintaining a stylish and wearable look.
